

BEATING CANCER IS IN OUR BLOOD.

PLAY YOUR PART IN THE FIGHT AGAINST CANCER

to benefit the
**LEUKEMIA &
LYMPHOMA
SOCIETY®**
fighting blood cancers

The Leukemia & Lymphoma Society is at the forefront of the fight to cure cancer. They are the largest nonprofit dedicated to creating a world without blood cancers. Since 1949, they've invested more than \$1.2 billion in groundbreaking research, pioneering many of today's most innovative approaches. We're playing to honor those that have been affected by this disease while shining light on the importance of finding cures for **all** forms of cancer. All golf tournament proceeds benefit the Leukemia and Lymphoma Society and their mission to find cures and ensure access to treatments not someday, but today.
